11 Facts

12 6. On or about December 15, 2015, by way of letters delivered by e-mail and U.S. postal mail  
13 to Office of the City Clerk for the City of Los Angeles and City of Los Angeles Department of  
14 Transportation General Manager Seleta Reynolds, under the California Public Records Act (CPRA)  
15 Petitioner requested that the City provide the disclosures and/or production of the following public  
16 writings (as defined by the CPRA):

- 17 • All the City of Los Angeles' policies relating to Cal. Gov't Code §53075.61;
- 18 • All training materials relating to the City of Los Angeles' enforcement of and/or conduct  
19 pursuant to Cal. Gov't Code §53075.61;
- 20 • All City of Los Angeles' policies relating to Cal. Veh. Code §21100.4;
- 21 • All training materials relating to the City of Los Angeles' enforcement of and/or conduct  
22 pursuant to Cal. Veh. Code §21100.4;
- 23 • From January 1, 2008 through the present, all CHP 180 forms where a vehicle was seized  
24 pursuant to Cal. Veh. Code §21100.4 and at the direction of an employee of the City of Los  
25 Angeles;
- 26 • From January 1, 2008 through the present, all VIIC data CHP 180 forms where a vehicle was  
27 seized pursuant to Cal. Veh. Code §21100.4 and at the direction of an employee of the City of  
28 Los Angeles. ("VIIC" means Vehicle Information Impound Center);

01/27/2016

● From January 1, 2008 through the present, each and every “Order for Seizure of Vehicle and Affidavit” concerning a vehicle seized pursuant to Cal. Veh. Code §21100.4 and at the direction of an employee of the City of Los Angeles;

● From January 1, 2008 through the present, each and every “Statement of Reasonable Cause” signed by an employee of the City of Los Angeles and concerning a vehicle seized pursuant to Cal. Veh. Code §21100.4; and

- All “writings” (“writing” as defined by Cal. Evid. Code §250), showing the number of vehicles seized pursuant to Cal. Veh. Code §21100.4 and seized at the direction of an employee of the City of Los Angeles.

7. See **Exhibit A** hereto, true copy of Petitioner's December 15, 2015 letter.

2. Other than an e-mail response from the City Clerk stating its office is not responsible for producing the records, Respondent City has not responded to or acknowledged Petitioner's CPRA demand.

3. The records sought by Petitioner are “public” and not exempt from disclosure. Nonetheless, the City is refusing to provide the requested records as it is required to do so under the law.

4. Should Respondent's claim that it does not "own" the requested VIIC data, that assertion is false. The VIIC data is created pursuant to contracts between Respondent and privately-owned official police garages ("OPGs"). The contracts specifically provide that all records and data created and/or maintained by the OPGs and their agent, the Official Police Garage Association of Los Angeles ("OPG-LA"), a non-profit §501(c)(4) corporation, are owned by Respondent, and further that Respondent has unlimited use and access to the data and records.

## Grounds for Relief

5. According to the California Public Records Act (CPRA), a “public record” is “any writing containing information relating to the conduct of the public’s business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics”; and a “writing” is any “handwriting, typewriting, printing, photostating, photographing, and every other means of recording upon any form of communication or representation.” Government Code §§ 6252(e) and (f). The requested writings, materials and information are “public records” under the CPRA. Every citizen has

1 the right to inspect any public record at all times during the office hours of the local agency, unless the  
2 record is specifically exempt from disclosure.

3 6. There is no lawful or proper reason for Respondent's refusal to provide the records, materials  
4 and information Petitioner has requested. Respondent's wrongful refusal to provide the requested  
5 records, violates the CPRA and the United States and California Constitutions. This Court has  
6 jurisdiction to order the requested records disclosed at the earliest possible time. Furthermore, Petitioner  
7 is entitled to a mandatory award of attorneys' fees and costs incurred in bringing this Petition.

8 Relief Sought

9 7. Petitioner requests an Order of this Court compelling Respondent to immediately provide the  
10 records responsive to Petitioner's December 15, 2015, request for public records, or, in the alternative,  
11 to show cause why respondents should not do so at a hearing at the earliest possible time.

12 8. Petitioner requests that this Court order Respondent to pay Petitioner's attorneys' fees and  
13 reasonable expenses incurred in bringing this Petition and in obtaining the relief sought, in an amount  
14 to be shown according to proof.

15 WHEREFORE, Petitioner prays:

16 9. For an Order of this Court compelling Respondents, and each of them, to immediately provide  
17 the records, materials and information requested by Petitioner or, in the alternative;

18 10. For an Order of this Court compelling Respondent to allow access to the records responsive  
19 to Petitioner's requests, or to show cause why they should not do so at a hearing at the earliest possible  
20 time;

21 11. For an Order awarding reasonable attorney's fees;

22 12. For an Order awarding court costs and reasonable expenses; and

23 13. For such other and further relief as the Court may deem just and proper.

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.
